From the President's Desk

It is happiness unlimited to see RPTC breaking barriers and moving forward confidently. The adage “Fortune favours the bold” is very true in the case of RPTC. There is nothing... absolutely nothing that stops the RPTC juggernaut from rolling forward, going on boldly from one project to another... leaving the spectators spell-bound. The magazine shows the enthusiasm of students in coming forward to present themselves in all aspects.

I am also able to see many students winning prizes in co-curricular and extra-curricular activities in other seminars and symposiums. Looking forward to seeing the ASPIRE issue grow in leaps and bounds in the future.

All the best.

R. Venkatanarayanan
President – Corporate Services.
